

STAFF AUGMENTATION

CHANGING TECHNOLOGY REQUIRES INFORMED EXPERTISE!

LATG's Staff Augmentation services are a proven, reliable, and cost-effective way for you to increase the size and productivity of your project in minimal time. Comprised of IT Professionals that integrate with your current workflow, our dedicated solution providers are the best option to rapidly build a highly qualified, creative, and experienced team.

Creating value for your organization is paramount to our partnership, therefore we leverage proven methodologies to ensure the best possible outcome for your business.

LATG leverages over twenty years of developing, delivering, and operating IT capabilities to infuse the right skills into your environment. Today, our customers gain rapid access to missing capabilities and skills to fill or expand a talent gap and get the job done right.

We currently supply top solution providers to organizations from a wide variety of industries covering the Federal government (DoD & CIV), state and local governments, education institutions, and enterprise corporate entities.
